## FOR INFORMATION ONLY

The reduction of the larger picture into ever more basic levels of explanation is a guiding feature of scientific enquiry – from humans understood in terms of biology, for example, to biology in the language of chemistry and from chemistry to the mathematical equations of atomic physics. One of the latest suggestions is that lying at the heart of everything is something called ‘information’. On this understanding the whole universe can be reduced to the level of one gigantic information machine.

In common vernacular *information* refers to the meaning attached by sender to recipient, or else to such meanings as might be gleaned from natural signs -- “such a cloudy sky clears not without a storm”. Either way, a conscious recipient of some kind would seem to be involved. In certain scientific contexts, however, information has no necessary connection with human or any other kind of conscious reception or involvement. Information here is simply that which is conveyed or transmitted by a sequence of impulses within a given system, no matter what form -- organic or otherwise, dead or alive -- the system might take. What matters is the exchange of data within the system, the extent to which different inputs determine different outputs.

As far as we humans are concerned, consciousness is realized via the process of neural and related activity – the brain, a living lump of matter, cashing out its potential by way of chemical signalling throughout the nervous system as a whole. And this, in itself, is nothing more than simple biology. But while the existence of life is generally taken as a straightforward area for scientific investigation, special problems arise, both scientific and philosophical, when conscious awareness is seen as somehow fundamentally different from that of all other forms of functionality. And the problems are particularly pressing when it comes to human mentality. For we are not simply conscious, we are also self-consciously aware that we are conscious. Furthermore, even if the universe can be reduced to one big information machine (and increasingly this is how it seems) the fact remains that only we humans have the necessary information -- information of the non-reductive kind -- which can secure the survival of our world as we wish to know it. Failing the wise and urgent use of our intelligence, a reduction of a rather more devastating nature might be just around the corner. If only it were possible to reverse the process, thereby reducing information to intelligence and intelligence to wisdom

*Rob Newton*

## Burghill Church supports HEREFORD FOOD BANK

The Food Bank is committed to the relief of poverty in Herefordshire and the surrounding area through referrals for provision of emergency food parcels.

They currently need tinned meat, fish, vegetables and fruit, as well as rice (tinned and dry), UHT milk, baby food and vegetarian food.

They also need washing powder, cleaning products and toiletries.

Long-life carrier bags are appreciated too.

They do not currently need baked beans or pasta.

**If you would like to support the Food Bank, there is a collection point for donations in the church porch and we will deliver your donations to them.**

Alternatively, you can donate at collection points in most supermarkets or send a cash donation direct to the Food Bank.

For more information visit <https://herefordfoodbank.co.uk>

**Please note: The Food Bank cannot accept food, tinned or dried, which is past the Best Before date**

### WINTER QUIZ 2022/23

The closing date for completed entries  
is Tuesday 31st January 2023  
so by the time you read this it will probably have passed.

Thank you to everyone who bought quiz sheets  
and a huge thank you to Heather at Tillington Village Stores  
for allowing us to sell them in the shop.

As we write this, completed quizzes are dropping through our letterbox.

When we have marked the quizzes, we will contact the winner.  
In the event of a tie, names will be put into a draw  
after the service in church on Sunday 5<sup>th</sup> February.  
Answers will then be published on the Burghill Church website  
and will be in the March Community Magazine.

*All proceeds in aid of the Church of St Mary the Virgin, Burghill*

## News from your Parish Council

Burghill Parish Council held its latest meeting on Tuesday 10<sup>th</sup> January 2023

Eleven Councillors were present along with twelve members of the public.

The Parish Council discussed six planning applications:

Planning application 223531 - Land at Tillington Fruit Farm, Tillington Farm, Burghill, HR4 7RW. Proposed construction of an apple packing house and store with roof mounted solar panels, associated permeable hardstanding, attenuation pond, loading and delivery areas, improved access track, soft landscaping and siting of a portable cabin. There were no objections in principle, but the Parish Council expressed concerns regarding the scale of the building in a rural environment, the increased traffic flows and road safety in this area and also that crops from outside of the local area could be stored on site and that this could further increase traffic flows.

Planning application 223563 - 8 Sycamore Lane, Burghill, HR4 7QR, Re-pollard 3 Poplars along boundary behind fence to around 2/3 current height. The trees are all overhanging the applicant's garden and would benefit from re-pollarding. The Parish Council agreed to support this application.

Planning application 224090 - Fruit Farm Tillington Estate, Crowmoor to Tillington Lane, Tillington, HR4 8LD. Proposed change of use of agricultural buildings to 5 no. dwellings including 2 no. larger and 3 no. smaller dwellings - resubmission of 222609/PA7. There were no objections, but the Parish Council would like to see a proper drainage plan in place and suggests that the access from the site onto the Tillington Road is inspected to make sure it will be safe.

Planning application 223925 - The Manor, Burghill, Hereford, HR4 7RX. Application for removal of condition 2 of planning permission SH931103PF (Proposed barn conversion to form one holiday accommodation unit) - To allow the building to be occupied as a single dwelling free from any restriction on occupation. The Parish Council resolved that Condition 2 of the 1993 decision by South Herefordshire District Council is still relevant to this property and that removing all restrictions presents a significant risk to local amenity. The Parish Council therefore objected to this application.

Planning application 223861 - Upper Lyde Quarry, Herefordshire. Proposed extension to Upper Lyde Quarry involving the extraction of sand and gravel and the restoration of the site to agriculture using imported inert waste, formation of a new vehicular access from Upper Lyde Road. Concerns were expressed by local residents about the lack of detail in the application, the impact on nearby residential properties and road safety issues. The Parish Council agreed to inform Pipe and Lyde Parish Council of these concerns and would support any decision made by Pipe and Lyde Parish Council.

Planning application 223119 - The Annexe, The Barn, Haymeadow Lane, Burghill, HR4 7RY. Installation of air conditioning and solar panels (retrospective). There were concerns that this is a retrospective application, and the air conditioning unit is now in place. The Parish Council would ask that Herefordshire Council check the building regulations on this air conditioning unit and its placement. It is hoped that modifications to the unit would make it be acceptable to the local community.

Our Community Working Group is currently looking at the management of the three defibrillators owned by the Parish Council. These need to be checked monthly to ensure that they are safe and ready for use if needed. A new Speed Indicator Device (S.I.D) needs to be purchased, the group will get quotes for the next meeting. A new Website for the Parish Council is also on the agenda.

Our Environment Working Group updated the meeting that the new memorial bench is now in situ on Tillington Common. Whitmoor Pool Common is currently flooded, but further work will be considered in the Spring.

Funding has now been agreed with Herefordshire Council for a Bus Shelter for the stop at Leasown and progress should be made in the next few months.

Funding is also in place for the two Traffic Regulation Orders, an extension of the 30mph limit northwards from Danny Lee Walk and an extension of the 30mph limit southwards from just before the school. The Parish Council is now looking at other traffic management options for the parish and welcomes suggestions.

Our next meeting is Tuesday 14<sup>th</sup> March 2023. We hope to see you there.

Paulette Scholes  
Clerk to the Parish Council

# WALKING THE CAMINO

## VIRTUALLY!

Phill, our Parish Priest, has made a spiritual journey walking the 160-mile pilgrim trail from Porto to Santiago de Compostela in January.

Inspired by Phill, and to raise money to maintain the ancient and beautiful parish church of Burghill, we plan to walk the 480-mile pilgrim trail from St Jean Pied de Port in the French Pyrenees to the Cathedral of Santiago de Compostela in north-western Spain virtually!

*You can get involved by walking or sponsoring*

### **How it works**

You let us know that you want to join the team to walk on your own or with others.

You will get instructions on what to do.

You ask friends and family to sponsor you by donating online at

<https://www.justgiving.com/page/elizabeth-donovan-1672171106845> or in cash.

During February and March, walkers will record and report how far they have walked each week. You can do as much or as little as suits you, when and where you choose. It could be round your garden, walking the dog or Offa's Dyke!

Every mile will be added to the group total.

The Burghill Walks the Camino Just Giving page, and a display in church, will show the cumulative total of miles walked and donations.

If you cannot walk with us, you can support us with sponsorship.

To join in contact: Liz Donovan: tel. 01432 760881, email [richlizdonovan@btinternet.com](mailto:richlizdonovan@btinternet.com)  
or: Mary Hilder: tel. 01432 760473, email [yeldifer@hotmail.com](mailto:yeldifer@hotmail.com)

**By Easter we hope to have clocked up more than the Camino 480 miles  
and we will have walked together in spirit.**

## FLOWER ARRANGING

Noella is an experienced teacher in Western style and Japanese Flower Arranging. The hands-on classes are tailored to suit all abilities and invite you to explore and learn different styles and techniques of flower arranging.

### ***FOAM-FREE FLOWER ARRANGING TECHNIQUES***

The pressure is on to reduce single use plastics and this includes wet foam. Even Churches are now requesting that wet foam should not be used in any arrangements. This class will show you some of the techniques that can be used in any setting.

**Saturday, 11<sup>th</sup> February 10am to 12 noon**  
**LEOMINSTER COMMUNITY CENTRE**  
**£20pp + cost of flowers**

### ***ALL-DAY (or HALF DAY) FLOWER ARRANGING WORKSHOP***

This is a hands-on day for beginners as well as the more experienced flower arrangers. We will cover hand-tied bouquets and basic wiring techniques in the morning and table arrangements and some contemporary designs in the afternoon. You can join me either for the whole day or morning/afternoon

**Saturday, Date tbc 10.30am to 3.20pm**  
**Moreton-on-Lugg Village Hall**  
**£50pp + cost of flowers for the whole day**  
**£25pp + cost of flowers for half a day**

### ***IKEBANA: An Introduction to Japanese Flower arranging***

With the rising cost of flowers and pressure to reduce wet foam, Ikebana offers the solution. Using fewer flowers and seasonal plant materials you can make stylish arrangements, to be enjoyed in your home.

**Monday, 20<sup>th</sup> February, Friday 3rd and Monday 27th March**

**MORETON-ON-LUGG OR MARDEN**

**Taster Day/All-day Workshop 10.30am to 3.30pm**

## ST MARY'S WALKING GROUP

After a short walk near Weobley we had our Christmas lunch at Ye Olde Salutation Inn and allocated the walk leaders for 2023. Our first walk of the year promised to be a washout. However, we avoided the rain, dodged the puddles and mud, and discovered Adzor Bank for a picnic lunch with views over Wellington.

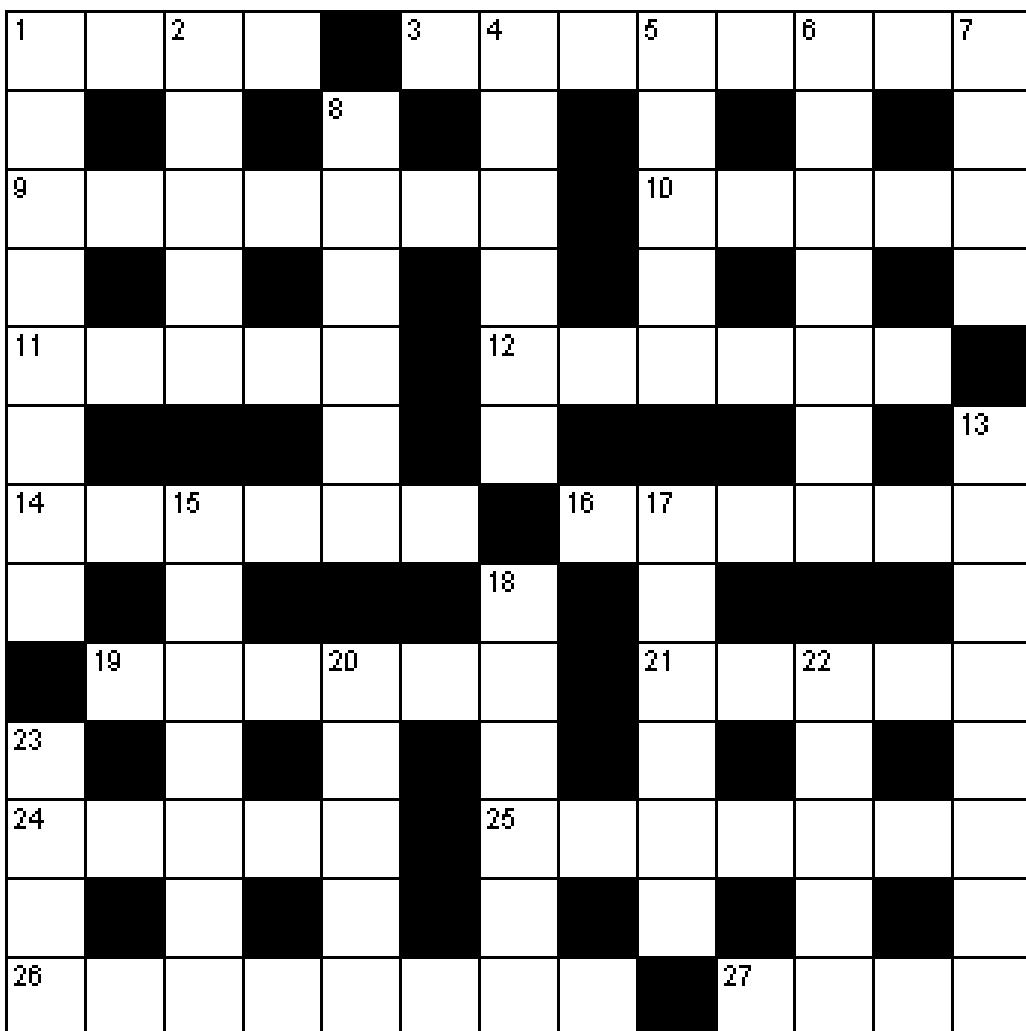

Our next walk is:

**Saturday 11<sup>th</sup> February**

Each and every walk, meeting 9.50am at Burghill Church car park, then sharing cars and driving to our start point for a 4 to 5 mile walk. Newcomers are most welcome to this friendly walking group.

## Church Heating.

Please help us to keep warm.

Now that the colder weather is approaching and as from December 1<sup>st</sup> we will be closing both outer doors of the church porch which will continue to remain unlocked. When entering the main building please could you ensure the outer doors are closed before using the main door. The church will be unlocked by 10.00 and closed at 4.00pm during the winter months.

## Burghill & Tillington Gardening Club

**Tuesday 7<sup>th</sup> February**

**Simpson Hall**

**7.15pm**

A Happy New Year to all those gardeners out there. We kick off our first meeting this year with a talk by Sue Watts-Cutler on “An Introduction to Propagating Plants”. This is a rewarding and satisfying process to obtain new plants. No more expensive trips to the Garden Centre! Remember we need to keep up the numbers attending, to ensure we can survive. We hope to see a good turn out again this month.

All are welcome, just £4 on the door, to include refreshments.

## A CONCERT AT ST MARY THE VIRGIN CHURCH, BURGHILL

**FRIDAY FEBRUARY 24<sup>th</sup> AT 7.00PM**

We were expecting to host the Hereford Rail Male Voice Choir at a concert at Burghill Church on Friday evening February 24<sup>th</sup> 2023. This was a visit postponed twice due to Covid. Sadly the choir lost several members during the pandemic and unfortunately are no longer able to fulfil their bookings. However, in their place, we have been very fortunate to be able to welcome **the Fire Choir** under the direction of Jon Watson and **the Burghill and Tillington Handbell Ringers**. The concert will be held in Burghill Church on Friday February 24<sup>th</sup> starting at 7.00pm.

**Tickets are £10 to include light refreshments and a glass of wine.**

## Reduce stress with plants

We forget at our peril that we were designed to live amongst nature. With increasing overcrowding and artificial urban and indoor lifestyles, people are becoming increasingly cut off from meaningful contact with nature, which can help counteract our increasing environmental stress. As access to real wilderness becomes more and more difficult, garden plants and houseplants have become an important way of addressing the problem.

Plants can 'fill up the senses' to quote the John Denver song. They are beautiful and uplifting visually, to touch, to smell, to taste and can generate soothing sounds. Their electromagnetic energy fields harmonise ours.

Their foliage filters atmospheric pollution and gives off oxygen.

Unwelcome noise pollution can be deadened by felted or refractive leaves, for example the white, downy leaves of the White Poplar or the sound reducing shrub, Viburnum rhytidophyllum. In a larger garden, noise can be masked by the swish of bamboo in the breeze or the constant sea shore whispering of the Aspen tree. Wall shrubs and climbing plants can soften noise which ricochets around the hard walls of buildings.

Plants can increase our feelings of security by hiding or softening ugly or threatening man-made structures, or the windows of dominant buildings overlooking our property like predatory eyes. Use plants to defuse the constrictive effect of bare boundary walls and fences by visually uniting your garden with natural views beyond, 'framing' these by planting which leads the eye to selected outlooks.

Actually, atmospheric pollution is often worse inside a building than outside, what with toxic fumes from man made furnishing materials and electromagnetic smog. A selection of indoor plants – even in pots – can have a neutralising effect on these to some extent and remove airborne toxins we would otherwise be breathing in. The easy to grow foliage plants 'Boston Fern' (Nephrolepsis) and 'Peace Lily' (Spathiphyllum) have been shown to be particularly good at this. 'Spider Plants' also help. The 'Computer Cactus' (Cereus peruvianus) is credited with helping to absorb and neutralise some of the airborne toxins and radiation emanating from computer screens, although it is no substitute for a Faraday cage around your wi fi router.

Enjoy your plants and love them!

# ***Knit One, Natter Too***

A new year is a great time to start a new project or get to grips with a UFO (unfinished object!). You don't have to be a knitter - bring your own craft project and come along. You can be sure of a warm welcome, whatever your interest or level of expertise. You can even come just to natter! (and some do....) It could be an opportunity to learn to knit or crochet – or get to know others in the village.

We usually meet on the 2<sup>nd</sup> and 4<sup>th</sup> Wednesday of each month in the Simpson Hall, from 2-4pm, with refreshments provided, paying £2 per session. We'd be very happy to have more people join us so why not give us a go?

NB: we are now meeting UPSTAIRS in the Simpson Hall

Dates for **February : the 8<sup>th</sup> and 22nd**

If you need help with transport, do let me know.

# ***Community Café***

A warm welcome awaits you at the next café on **Friday 10<sup>th</sup> February** from 10am to 12noon. Do join us for coffee or tea and delicious cakes and scones. Don't worry if you are on your own - you will soon find some friendly folk to chat to.

You can also browse books in the Community Library or look up information on the Talk Hub.

If you think you might like to take some goodies home with you, please bring a container.

We look forward to seeing you.

**Dates: Fridays: February 10<sup>th</sup>, March 10<sup>th</sup> , April 14<sup>th</sup> 2023**

**Time 10 to 12noon**

## A PERSPECTIVE ON ASH WEDNESDAY

By

**The Ven Fiona Gibson is Archdeacon of Ludlow,**

One of the most moving services I have ever attended took place on Ash Wednesday 2009, in Westminster Abbey. I was an ordinand, in training for ministry, and was on placement at the Abbey. As the choir sang the achingly beautiful setting of Psalm 51 “Miserere mei, Deus” (Have mercy on me, God) by Allegri, complete with perfectly piercing top C from the chorister given the solo that year, we all went forward.

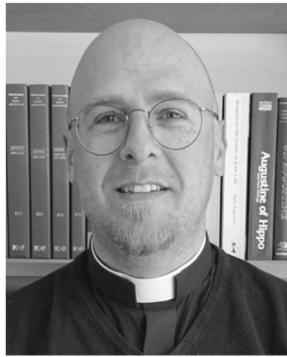

The Dean said the solemn words, “*Remember you are dust, and to dust you will return,*” as he marked my forehead with the sign of the cross, using ashes from the previous year’s palm crosses.

It was a new experience to me, as the imposition of ashes hadn’t been part of the tradition I’d known up to then. I confess I was overwhelmed - by the depth of my human sinfulness, the depth of God’s mercy, and the depth of the love of Christ in going to the cross for the sin of the world, including mine.

Far from being frightening, or leading me to despair, those words, “Remember you are dust, and to dust, you will return,” seemed in that moment to be strangely comforting. They reminded me of words from Psalm 39, where the Psalmist says to God, “Show me, Lord, my life’s end and the number of my days; let me know how fleeting my life is.” We, humans, are frail and fragile creatures of the creator – a truth we don’t always recognise or accept. To dwell on that truth during Lent, holding it together with the equal and opposite truth that we are, as the title of a book says, “**Beloved** Dust” seems to me a good spiritual discipline for these 40 days.

For by the grace of God in Christ, we are both fragile *and* strong, mortal *and* immortal. We are dust, and to dust, we will return, yes. But that’s not the end of the story, for from dust we shall rise, clothed with life and immortality, to live with God eternally.

As we move through Lent together, I invite you to take time to meditate on these paradoxical truths: that we are creatures, limited, finite, and weak, *and* that we are held in the hands of an unlimited, infinite, and strong God; that our time in this life is brief, *and* that our time with God in the world to come is eternal; that we are as humans deeply flawed, *and* we are deeply loved – and that in the cross with which we are marked in baptism, and may be marked on Ash Wednesday, all of that comes together.
