<p>CLOSING DATE FOR ENTRIES 20TH OF EVERY MONTH</p>

Betrayal Now if you have read the headline and wonder what has sparked this topic, you might be thinking something has happened, and the Vicar has a point to make. Well, I do, and something has happened, but it happened a long time ago, two thousand years or so ago and not to me! You might also think that I have a certain Judas in mind, whose last name was Iscariot (it wasn't really!), but not really. I have another person in mind and rather than an outcast he is Jesus' number two, Simon, known as Peter. First, let us start with the main figure when it comes to Biblical betrayals, Judas.

In my view Judas gets a bad rap. His name over the years is a byword for betrayal. One only has to call someone a 'Judas' and we all know what is being said. In an episode of *The Big Bang Theory* (a TV program that I love), one character throws down thirty pieces of culinary knives in front of a friend. The message was received: 'traitor'. The word 'traitor', come from the Latin word '*traditorem*', which has the same root as the Latin word for 'traders', '*traditor*', which means to hand over. You can see the connection. In the time of Henry VIII, the water gate into the Tower of London went from being called 'traders' gate to 'traitors' gate, a Latin word play not lost on those around him.

Yet when we think of betrayal, we like to think of this being affixed to a character that we already have in our book as a 'bad-one'. Yet, Judas wasn't a bad one. We are often led to believe that Judas trades Jesus for silver and walks away in delight over his money, rubbing his hands in malevolent glee. But this is not the truth. You see, malevolent friends who sell you out don't suffer from crippling guilt and then hang themselves from a tree because of what they have done.

There is another person who, is as bad if not worse, and that's Simon, known as Peter. I say Simon known as Peter because the only person who called him Peter was Jesus. Petros is Greek for stone, and it was supposed to indicate his foundational role in the establishment of the Church. But Peter hardly resembles a strong object. Indeed, he folds fairly easily and denies him. That is why there is a Cockerel on every Church building to remind all of us of his betrayal. And yet, he was the one who carried the message forward. So why didn't Judas? The answer is simple; Judas couldn't forgive himself, Peter could. Failure is a part of life, and no one is as good a friend as we might hope for, but if we want to move forward, we have to begin to hope and take the lead from the one who forgives us all.

Parish Council News

Burghill Parish Council held its latest meeting on Tuesday 9th January 2023. Twelve Councillors were present along with seven members of the public. The Chair welcomed Parish Councillors, our Ward Councillor and members of the public and wished everyone a Happy New Year!

Three Parish Councillors were co-opted onto the Council; Tim Gilbert, Scott Bristow and Neil Marks. The Chair welcomed Tim and Scott and asked them to join the meeting. Neil was not present this evening. The Parish Council has one more vacancy to fill.

- The Parish Council discussed one planning application [233760](#) - St Marys House, 16 St Marys Lane, Burghill. This was for the replacement of the existing conservatory with a new brick-built extension. This was discussed, and the Council RESOLVED to SUPPORT the application.

The Parish Council was also asked to comment on a licensing application for Burghill Valley Golf Club to bring forward the daily hours for the Sale/Supply of Alcohol from 10.00am to 9.00am. After considering the licensing objectives the Parish Council RESOLVED to make no comment on the application.

An update was received on Whitmoor Pool Common. The Parish Council is proposing to lease part of the Common to Burghill Community Academy for school activities. This is moving forward and the lease should be in place by the next meeting in March, if not before.

An update was received on the joint proposal with Herefordshire Council to introduce a pilot 20mph limit adjacent to School. Progress is being made and the Parish Council is hopeful that it can be introduced later this year.

The speed limit reduction from 40mph to 30mph adjacent to Danny Lee Walk was also discussed. This should be

implemented shortly.

It was RESOLVED to adopt a revised Management Plan for the three Commons owned by the Parish Council.

It was reported that the Parish Council is managing its finances effectively and expected to be within budget at the end of the financial year.

After careful consideration the Parish Council RESOLVED not to participate in Herefordshire Council's 2024/25 Lengthsman Scheme. It was agreed that the Parish Council could fully deliver its statutory responsibilities without being part of these arrangements.

It was reported that the Parish Council was discussing public internet access with The Simpson Hall trustees.

Our next meeting is on Tuesday 12th March 2024 at 7.00pm. We hope to see you there.

*Paulette Scholes
Clerk to the Parish Council*

At our AGM , I am pleased to report that Gerry Blyth was voted in as Chairman. Gerry has been very supportive of the Hall over the years, including maintaining the website, initiatives such as warm embrace, the craft sessions and the new Active sessions. Graham Gilbert was thanked for stepping in during the time the Hall was without a chairperson. At the meeting we also welcomed Pat Eagling (representative for the Parish Council) and Beryl White (bell ringers) to our Committee. THE COPSE LEISURE TRUST

Reg. Charity No. 1118865

At a recent meeting of the Trustees, the issue of dog fouling on The Copse Leisure area was raised. There has been an increase in dog owners allowing their dogs to roam free and foul the playing fields as well as in the children's play area.

Dog fouling is not only unpleasant, but it is dangerous. Whilst rare, contact with dog mess can cause toxocariasis – a nasty infection which can lead to dizziness, nausea, asthma and even blindness or seizures.

The Law

Herefordshire Council has placed a **Public Open Space Protection Order** (under *The Anti-Social Behaviour, Crime and Policing Act of 2014*) on The Copse which excludes dogs from the area and anyone breaking this law, could face a **fine of up to £1,000** if the case goes to court.

Offence

"(4d) A person in charge of a dog shall be guilty of an offence if, at any time, he takes the dog onto, or permits the dog to enter or to remain, on any land to which this Order applies."

Ever visited Chelsea Flower Show and wondered how those lovely gardens and fantastic stands appear in such a short time scale? Well come and hear a talk, from Chelsea Gold Medal winners the Kitchen & Garden Plant Centre, entitled "Preparing for Chelsea", including photos of the build. Neil will also bring plants to sell. The herbs he brought back in October were great quality. All are welcome, entry £4 to include refreshments.

I have just read the Rule of St. Benedict, to my shame for the first time. It is a monastic rule from the 6th century that sets out the disciplines and structures for the effective running of a monastery. The rules of poverty, chastity and obedience are highly restrictive; the punishments for violations severe; the lifestyle highly demanding. Praying at set offices eight times a day (including at 2 in the morning) meant that the monk would rarely get more than few hours of unbroken sleep. Central heating was for wimps and the diet uninspiring. Although eased in later centuries, it has been the basis for the monastic tradition in Western Europe ever since. Its not the sort of discipline that works in everyday life, but that doesn't mean it has no value. It is designed to foster Christian virtues of humility, and obedience (albeit expressed through submission to the Abbot), and a growing Christlikeness.

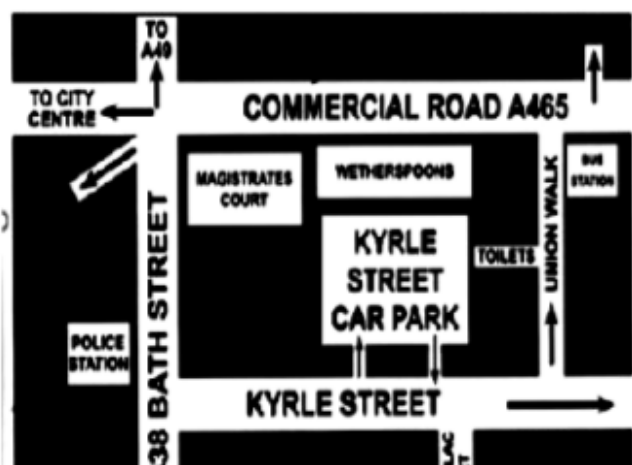

Most of March will be the season of Lent, when we Christians have traditionally given up things that give us pleasure to focus on our spiritual journey. As our world has changed it seems increasingly anachronistic. Our culture screams at us from the lifestyle sections that the way to real fulfilment is getting what you really desire. The idea that giving something up might be good for you, other than as a grudging acknowledgement of post-Christmas weight gain, is anathema. Consumerism works by creating desire and then offering to fulfil it. But our strongest desires are not necessarily our deepest ones. Giving things up, or fasting can get us in touch with these deeper desires that only God can satisfy. There is evidence that restricting calories by intermittent fasting or turning our mobiles off is actually good for us physically and psychologically. A good lent can be like leaving the Christmas presents unopened under the tree until Christmas day. There is a joy in the opening that is enhanced by the waiting. So, as well as helping us grow closer to God, our Lenten restraint can amplify the joy of Christ risen when we get to that glorious Easter celebration. I once gave up tea and coffee for lent and had my first large cup on Easter morning. Before I knew it, I'd done three services and built a compost heap! Lent can be spiritual dynamite.

ST MARY'S WALKING GROUP

Our February excursion from Staunton on Wye guided us to the historic 17th-century Monnington Court, following a picturesque path lined with majestic Scotch firs. Along the way, we traversed to The Scar at Brobury, where river cliffs provided stunning views overlooking the meandering River Wye.

Our next walk: **Saturday 9th March**

As usual, we will meet at 9:50 am in the Burghill Church car park. From there, we share cars and drive to our starting point for a leisurely 4 to 5 mile walk. Whether you're a seasoned hiker or new to walking, our friendly group invites you to explore the beautiful countryside while making new friends. It's a wonderful chance to enjoy exercise and good company. We warmly welcome newcomers to join us on our adventures.

Dear fellow parishioners,
My name is Nicki Gilbert
and in October of 2024 I
will be trekking the

Camino way in Northern Spain to raise
money for a fantastic charity - St.
Michael's Hospice. I will be walking
over 110km in just 5 days. I am fund-
ing this trip myself, so **ALL** money
raised will go straight to St. Michael's

Hospice. I am also doing this in memory of my dearest Dad, Roy Powell, who some of you may remember well. He sadly passed away in March of 2023. If you would like to donate to this worthy cause, Heather from Tillington Shop has kindly allowed me to put a charity box there, or you can donate via my just giving page: <https://www.justgiving.com/page/nicki-gilbert-1701108727422>

Many thanks for your support. Nicki

Shrubs which benefit from Spring Pruning

Pruning is a lot less complicated when one understands why a certain shrub needs old wood removed to make way for new flowers, fruit or growth, and when to remove it.

Right now, it is the turn of ornamental shrubs which will bear their next flowers (or other attractive feature) on new wood. Hence removing the old wood from their last performance now (and giving the plant an encouraging dose of fertiliser or well rotted manure) will clear the way for new spring growth, which will eventually bear the next colourful display, unadulterated by last year's scraggy old wood which is no longer performing.

Typical examples of flowering shrubs which will produce their next flowers on new growth are: Buddleia davidii types, Lavatera (the 'Tree Mallows'), Caryopteris (the so-called 'Blue Spiraea'), real Spiraeas, hardy Fuchsias and bush roses such as Hybrid Teas, Floribundas, Miniatures, Patios and Shrub Roses. All benefit from a substantial 'haircut' to within a couple of feet of the ground.

In the case of Roses, remove completely any really old and woody branches from older, congested bushes to make room for new young growth and bear in mind that there is no need to carefully cut each stem to the third outward facing bud etcas the old books claimed. Modern research has shown that Roses actually perform better after being chopped down by a hedge trimmer, leaving their tiny basal twigs alone.

As we are emerging from winter now, it is also time to treat the winter flowering shrubs which are now going over to a similar prune: coloured stem Dogwoods (Cornus alba, stolonifera and the like) can be cut right down to a few inches/centimetres of the ground. Their colour is brightest on new growth, so now is the time to encourage this to form.

Winter Heathers are winding down this month so when they have gone over a shaping trim – but avoiding cutting back into leafless old wood – is in order.

The scented flowers of Mahonia are also on their way out this month and these bushes can be cut back pretty hard to induce new flowering wood for next winter as well as to reshape the plants, which will otherwise get very lanky.

Happy Gardening!

This morning, Saturday 27th January, my wife and I went on our usual walk . But today we decided to do a litter pick . So armed with plastic bag and picker we set off . By the time we had reached the Bridleway our bag was getting full and I realised we had miss calculated the volume of stuff we would collect . Nevertheless we continued up the track packing junk into the bag .

We met a lady who thanked us for our efforts , she also did the occasional litter pick herself and was very appreciative . Fortunately further up the hill builders were laying a wall outside a bungalow and I asked if I could empty the bag into there skip .

After a bit of banter we continued on with our empty bag for the downward trek to St Mary's church , happily emptying the ditches and filling the bag . At one point I pulled out from the mud a grotty piece of thin plastic , but as I was about to stuff it with the rest I realised it was a £10 note ! What a find .

We continued on to the church to find a bin to empty our second bag of rubbish and drop the £10 treasure trove into the church collection box . I searched around the church for a bin and my wife went inside to deposit the cash . Then we met the lady we had chatted to earlier she offered to take the full rubbish bag home and gave us a black sack in exchange .

We continued over the fields until our third phase of picking began when we hit the Cannon Pyon rd. By the time we reached home we had another bag full . It did take us two hours for a - normally - 45 minute walk but the church is slightly better off we are slightly fitter and the area is slightly cleaner . A good result I'd say !

A smiling parishioner.
