CLOSING DATE FOR ENTRIES 20TH OF EVERY MONTH

Time

Years ago I attempted to read Stephen Hawking's book, *A Brief History of Time*. I admit that I didn't get very far and I have attempted to read it on numerous occasions after that without much success. It might be a great book, but it isn't really a good read for an armchair cosmologist like me. I understand the principles of the book, but not its explanations. I think a good grasp of calculus wouldn't go-a-miss. Yet it is fascinating, how we now understand time and space.

In our lives time is the most precious things and we must spend it wisely. When I had a proper job, I used to say, 'I'd rather spend time than earn money', how right I was, because it is more valuable than gold. A journalist who interviewed Sir Richard Branson once asked him what tips he could give him to get rich. The journalist was in his 20's. Sir Richard replied, 'you have something more valuable than anything and I have and would swap all my wealth for it'. The journalist said, 'and what do I have that you don't.?' Sir Richard replied, 'time'. So what can we end up wasting time on? Well, a number of things. We can try and take short-cuts that don't work or pay off. Spend too much time doing something that we don't enjoy or spend it with people that don't appreciate our time or our own lives. Don't waste time on things that will end up wasting yours. Time, once it is gone, it doesn't come back.

For me, one thing that I love about Jesus is that he was someone who wasted no time. He spent every bit of it perfectly, which inspired some, confounded others and infuriated most. If we are going to live our best lives and spend our time wisely, choose those you share it with carefully. You won't regret it in the end.

PARISH COUNCIL NEWS

Burghill Parish Council held its latest meeting on Tuesday 10th September 2024. Five Councillors were present along with seven members of the public.

The Parish Council discussed one planning application:

1. 242006 - Building at Burlton Business Park, Burghill, HR4 7RQ. Proposed extensions of existing commercial building. It was resolved to Not Object to the application as long as the existing conditions, agreed by the applicant, apply to this Planning Application as they do for the rest of Burlton Business Park.
- ♦ Cllr Pauline Crockett, our Ward Councillor gave an update on Herefordshire Council.
 - ♦ Adam Westlake, our local PCSO gave the meeting an update on the local crime statistics.
 - ♦ Sally Robertson gave the meeting an update on The Copse and thanked the Parish Council for its recent donation towards helped to buy some new play equipment. The Trustees are seeking the support of the Parish Council for purchasing some new cabins and

for buying the playing field from Herefordshire Council. It was agreed that the Parish Council would support this and thanked Sally for all her hard work with The Copse Leisure Trust.

- ♦ The introduction of the Community Speed Watch programme has been postponed. This is due to the excessive speeds on the local roads, which makes it unsafe for volunteers to monitor speeding vehicles. The Parish Council will consider other options for managing traffic speeds and it is hoped that the Community Speed Watch programme can be introduced in the future. It is hoped that the introduction of the new 20mph speed limit and signage by the school will be completed in the next few months.
- ♦ The Neighbourhood Development Plan review was discussed. The Government is currently consulting on the National Planning Policy Framework after which Herefordshire Council will need to review the Local Plan. Only after this can the Parish Council review the Neighbourhood Development Plan. This is likely to be next year.
- ♦ Janette Pudsey reported that she had been in contact with Gerry Blyth from the Simpson Hall and Sally Robertson from CAP and planned to offer some Digital Awareness sessions. This has been raised by Talk Community as many of us now are expected to complete forms on line for example to Health Practitioner's, Government Departments etc., also, how to ensure safety when using such technology. The sessions will be held monthly, dates to be advised, at the Simpson Hall. Participants are invited to bring their own digital equipment, phones, tablets, laptops. There will be two laptops available which have been provided to Burghill Talk Hub from Hereford Community fund.
- ♦ The local library will continue to be run in the old telephone box by the church and Mr Fletcher was thanked for all his hard work and for raising over £2200 for the church.

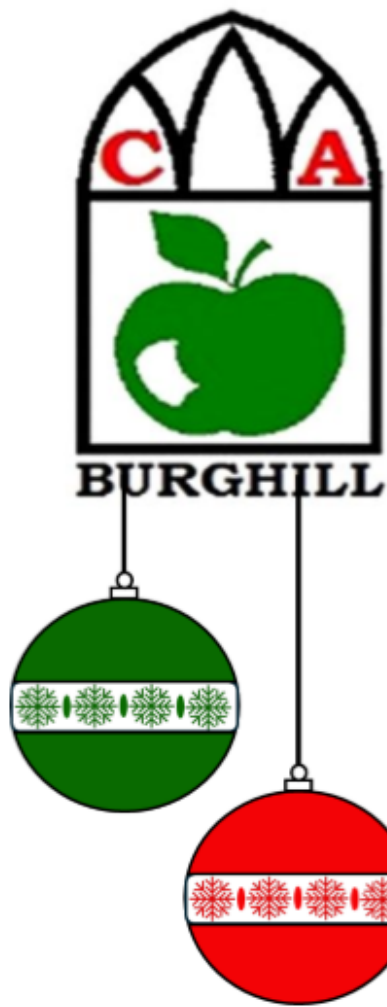

The Parish Council currently has two vacancies which will be filled by co-option. If you are interested in becoming a Parish Councillor, please contact the Chair or Clerk.

The Parish Council are also looking for a new Footpaths Officer, if you are interested, please contact the Clerk.

Our next meeting is on Tuesday 12th November. We hope to see you there.

"We have all received our share of good fortune, so that's my definition of much. A single blessing is all the bounty in the world, and if you've been blessed at all you're meant to pass some of that on. You're meant to set a positive example. That's our responsibility" (20)."

CALLING ALL GIRLGUIDES

Were you ever a Brownie with 1st Burghill Brownies or had any involvement with Guiding in the village- a youngster, a leader, hut management, odd job person, gardener etc??

February 2025 marks 60 years of Burghill Brownies and I am hoping to hold a celebratory event to mark such a momentous achievement.

Please let me know if

1. You would like to attend an event to mark the occasion- potential date is Sunday 20th July 2025 in order to hopefully be able to be outside. At The Copse if we get a good response, at The Guide Hut if only a few takers. Please spread the word to everyone you know who was involved at any time over the last 60 years.
2. Were directly involved in any way and could write your memories down for me. Have photos you can donate or copy for a memory book.
3. Would like to help on the day, I was thinking it would be good to have some interactive items. E.g. campfire building/craft/food / uniform displays/ equipment old and new/books etc. All ideas gratefully received.
4. Would be willing to be on a team to discuss/plan/coordinate etc. Hopefully won't be too onerous a task.
5. Could help with providing food/music on the day, or have contacts with someone who can?
6. Anything else anyone can think of! I can't do this on my own but I know what fantastic people Burghill and Tillingtonians are and I'm sure you will be able to help me out.

THANKYOU IN ANTICIPATION

From Brown Owl.

ST MARY'S WALKING GROUP

Last month, we enjoyed a lovely, undulating walk from Michaelchurch Escley. We were fortunate to have excellent October weather, with sunshine and fluffy clouds providing a perfect backdrop to the Cats Back, Hay Bluff, and the Black Mountains.

Our next walk is:

Saturday 2nd November

Each and every walk meeting 9:50am at Burghill Church car park. From there, we share cars and drive to our starting point for a leisurely 4 to 5 mile walk. We warmly welcome newcomers to join us on our adventures.

The Leominster Meeting Centre – local help for people with dementia.

As someone who is a carer for someone living with dementia, I wanted to share my appreciation for the work of the charity, the Leominster Meeting Centre – a social club for those with dementia, which also offers support to their carers.

Dementia is now, alas, one of the most common degenerative illnesses. It is a progressive condition which affects brain functioning, with short term memory and intellectual ability usually being the first affected. The development of the condition is often irregular, with uphill periods and downhill periods, and although there is no cure, keeping the brain stimulated and exercised has been shown to slow down its progression. One of the worst things for someone with dementia is isolation without socialising with people or exercising the brain at a time when thinking can seem an effort.

With this in mind, The Leominster Meeting Centre is a special club for those with a diagnosis of mild to moderate dementia. The Meeting Centre, based behind Leominster Priory, provides wide ranging activities designed to exercise and stimulate different parts of the brain. Examples include: art and crafts, music, quizzes, word games, gardening, visits to local places of interest and bowling sessions at Leominster Golf Club. Members socialise by lunching together, sharing creative projects and games, and having fun! Dementia can affect a wide range of ages and members who may have mobility issues or who are a little elderly and frail are welcome. The club is not a day centre with personal care though, so it is understood that a member is able to eat and use the bathrooms unaided.

So often, the people who care for those with dementia become stressed and isolated themselves - physically, emotionally and mentally. The Leominster Meeting Centre regard their club as being a three way partnership between the staff, the dementia patient and the carer, with support and welcome offered to the carers.

Being a private members club, there is a monthly subscription to join the Leominster Meeting Centre. However, this is more than covered by the government's (non means tested) Attendance Allowance which those with a diagnosis of Dementia can claim online. Members may attend the Centre for up to three working days a week, if they so wish.

Members and their families are also encouraged to support external fund raising events such as the 100 club, fetes, bingo or race nights, which contribute to the centre's self funding.

If you have dementia (or are caring for someone who has) and you would like to arrange a visit to see how the Centre works, please do get in touch by e-mailing leominstermeetingcentre@gmail.com or telephone the Centre on (01568) 368180 Tuesday-Friday from 10 a.m. - 3 p.m. and see how they can help you.
