**CLOSING DATE FOR ENTRIES 20<sup>TH</sup> OF EVERY MONTH**

I am not going to wish you a merry Christmas yet even though this is probably my best opportunity to infest the whole diocese with my festive cheer. As I write, the thoughtful season of advent has not even begun so I don't want to sing gloria at you, or bellow ho-ho-ho. Expressions of seasonal enthusiasm have changed, and I wonder how many people today really understand the original language of Christmas anymore. "To us is born a saviour" What does that

mean and why should it matter?

Advent is about looking at ourselves and at the world and realising just how much we need that saviour. Christians understand that Christmas would be pointless if we didn't - just a marketing ploy cooked up by sellers of toys and frozen party nibbles to get us all to spend as much money as possible. But what if you have never been told? If a fire engine screeched to a halt outside your house with sirens blaring and blue lights flashing, you might wonder what it was doing there if your house was not on fire. You might be mildly interested but you would hardly celebrate your salvation! In the same way this baby whose birth we celebrate on Christmas Day and who we hail as Saviour is presumably similarly underwhelming if you cannot see anything that we need saving from!

Sometimes it feels easier to believe in evil than in God. But if you do believe that evil exists- if you see it in all its brutality in our daily news, if it touches you in grief, loneliness, hatred, jealousy- then you perhaps may dimly begin to understand why we need our Saviour. If you look at the impact of individual and corporate greed or the priorities and conduct of those who run our society you may begin to understand why we need our Saviour. If you look at crime, war, corruption and oppression, then you may perceive our deep need of salvation

Perhaps we all vaguely sense the need for a Saviour because we can all see some of what is wrong. It is only a step from that yearning for things to be better to realising that science and virtue-signalling won't deliver and that our only hope of real and change is in God. Whether we recognize Him in the Christmas story repeated every year by those persistent folk in the churches and our tiny children with their tea towels on their heads is another question altogether.

Perhaps this year it might be time to look a bit deeper and see what all the fuss is about. Coming soon to a church near you.

# PARISH COUNCIL NEWS

Burghill Parish Council held its latest meeting on Tuesday 12th November 2024. Eleven Councillors were present along with four members of the public.

The Parish Council discussed three planning application:

- 242461 - 8 Jasmine Lane, Burghill, HR4 7QS. T1 Oak: to carry out crown reduction of 2-3m. It was **RESOLVED** to **SUPPORT** the application.
- 242581 - 1 South Cottages, Jasmine Lane, Burghill, HR4 7QT. Remove two oak trees. Trees numbered 1 to 8 are all mature oaks. Trees 1 and 2 constitute a risk to life. Removal of these trees would lessen the immediate danger to anyone in the cottage or in the gardens, and provide more light to the gardens whilst the amenity value would be unaffected as there would still be six oaks in the garden. No works to trees 3 – 8. A previous application from this property was rejected by the Parish Council as it was felt these legally protected (TPOs) trees need to be professionally inspected and deemed to be a real and present danger and a recommendation from Herefordshire Council Tree Officer is sought, this is currently missing from the reports The Parish Council are not satisfied that this new application satisfies those previous concerns. It was **RESOLVED** to **OBJECT** to the application.
- 242551 - Yewtree House, Tillington, Hereford, HR4 8LW. Proposed domestic garage. It was **RESOLVED** to **SUPPORT** the application but noted no storm water drainage had been included within the application, they would like Herefordshire council to satisfy themselves that the drainage is satisfactory and sufficient for this building.

A discussion took place regarding the flooding that had occurred near Tillington Common. The Parish Council have now been granted a small drainage grant which will allow for the ditch to be cleared out and other solutions are now being looked at.

The Parish Council are also looking for a new Footpaths Officer, if you are interested, please contact the Clerk.

Meeting dates for 2025 are: Tuesday 14th January, Tuesday 11th March, Tuesday 20th May, Tuesday 8th July, Tuesday 9th September and Tuesday 11th November

At this meeting it was agreed to raise the precept by 1.3%. Small grant requested have been received and will be brought to the January meeting for approval.

Our next meeting is on Tuesday 14th January. We hope to see you there.

*Paulette Scholes  
Clerk to the Parish Council*

## **Burghill Parish Council**

The Parish Council are looking for a new Footpaths Officer. Footpaths within the Burghill Parish boundary amount to some 19Km in length, there are volunteers who assist with this role. It is mainly checking the footpaths are clear and carrying out minor maintenance all major work is reported back to the Parish Clerk.

If you are interested or want more information then please contact the parish clerk via email [clerk@burghillparishcouncil.gov.uk](mailto:clerk@burghillparishcouncil.gov.uk) Full training will be given.

**Hi fellow Burghill & Tillington villagers,**

I am returned and rested from my fantastic hike along the Camino Trail, covering over 120km in 5 days, with 16 other wonderful ladies.

I had a fabulous time and met some wonderful people.

I am over the moon to tell you that I have raised £2,444 in total for St. Michael's Hospice, of which an incredible £955 came from generous people in our parish.

Over £50,000 was raised in our group for the hospice, from our trip alone.

Thank you all so much for your support.

Nicki Gilbert.

# **Simpson Hall News and Dates for you Diary**

The Simpson Hall Committee would like to take this opportunity to thank the Chairman Gerry Blyth and Treasurer Cyrus Amini and Secretary Sue Rix for their time and commitment to the Village Hall Committee over many years. They have all decided to stand down. We are extremely grateful to Gerry who amongst many new initiatives, set up and updated the Simpson Hall website. The website will be left online, but with no news or future events published until a new webmaster can be found. (You will still be able to see the calendar to view bookings.) We wish to express our thanks to Cyrus for all his hard work as treasurer which means that the Hall finances are now in a healthy state.

Their departure will leave a huge void. The remaining seven trustees face a challenge in finding suitable replacements. We are still committed to the hall being used to serve the local community. If you feel able to volunteer or help out in any way please contact the deputy chairman Graham Gilbert , The Villa ( next door to the Simpson Hall)

# CHRISTMAS WINDOWS AT BURGHILL CHURCH

Once again village and church groups are decorating the porch, choir and windows in church for Christmas.

The Christmas theme adopted this year by the Church of England is "Follow the Star-Calm and Bright".

This year we will be placing Christmas trees in every window. Windows will be decorated in time for "Carols by Candlelight" which will take place in church on Sunday Dec 15<sup>th</sup> starting at 5.30pm. Do come along for this candlelit service, followed by mince pies and mulled wine, and see the imaginative decorations or they can be viewed daily until the end of January.

We are very grateful to all those people who are giving their skills and time to make the church look so beautiful.

**TAI CHI**  
**Mondays**  
**1.15 pm to 2.15 pm**  
**Simpson Hall, Burghill**  
**commencing 13<sup>th</sup> January 25**

When we think of Tai Chi we usually think of China, people all moving slowly and gracefully together in parks but Tai Chi is so much more. Originating from martial arts, Tai Chi takes us through a series of movements designed to be efficient for the body while keeping it strong and supple. However, as we link the movements with our breathe, becoming slower, we also work on our balance, focus and coordination. With practice, Tai Chi gently frees the joints, relaxes the body, mind and nervous system, increases circulation of energy and develops inner calm. Tai Chi has often been called 'Meditation in Motion'. Amongst other benefit, studies show that Tai Chi can help 'improve balance', 'quality of sleep', 'pain management' and 'enhance the immune system' (*Medical News Today*).

We follow the 'Art of Chi' method which focusses on well-being and health. Working with the traditional Yang Short Form, also known as the 24 Postures. This approach is supplemented by exercises that develop our breath, the sense of our inner energy (*Chi*), to recharge us, and strengthens and builds the awareness of our core (*Tantien*) to keep us grounded.

**£8 per session (first session FREE)**

# CHRISTMAS

The bells of waiting Advent ring, The Tortoise stove is lit again And  
lamp-oil light across the night, Has caught the streaks of winter rain  
In many a stained-glass window sheen,  
From Crimson Lake to Hookers Green.

The holly in the windy hedge, And round the Manor House the yew Will  
soon be stripped to deck the ledge, The altar, font and arch and pew, So  
that the villagers can say, 'The church looks nice' on Christmas Day.

Provincial Public Houses blaze, Corporation tramcars clang, On lighted  
tenements I gaze, Where paper decorations hang, And bunting in the red  
Town Hall, Says 'Merry Christmas to you all'.

And London shops on Christmas Eve, Are strung with silver bells and  
flowers As hurrying clerks the City leave, To pigeon-haunted classic  
towers, And marbled clouds go scudding by,  
The many-steepled London sky.

And girls in slacks remember Dad, And oafish louts remember Mum,  
And sleepless children's hearts are glad, And Christmas-morning bells say  
'Come!' Even to shining ones who dwell, Safe in the Dorchester Hotel.

And is it true? And is it true, This most tremendous tale of all, Seen in a  
stained-glass window's hue, A Baby in an ox's stall ?

The Maker of the stars and sea, Become a Child on earth for me ?  
And is it true ? For if it is, No loving fingers tying strings Around those  
tissued fripperies, The sweet and silly Christmas things, Bath salts and  
inexpensive scent, And hideous tie so kindly meant, No love that in a family  
dwells, No carolling in frosty air, Nor all the steeple-shaking bells, Can  
with this single Truth compare - That God was man in Palestine, And  
lives today in Bread and Wine.

## **'Tis the Season to See Holly.....**

Holly has a long been an evergreen symbol of ongoing life: the Romans used sprigs of it to decorate the gifts which they exchanged at their midwinter solstice festival of Saturnalia, a time of chaotic revelry between the passing of the old year and the arrival of the following one. Christian missionaries adopted holly as a sign of death and resurrection and its red berries as drops of Christ's blood.

These days, we still use holly for Christmas decoration and modern plant breeding has helped enormously. The green spiny native holly (*Ilex aquifolium*) has been superseded by a whole range of bright variegated leaf forms, with cheery berries in either red or yellow.

The native holly has disadvantages if you want berries: a wild holly will be either male (bearing pollinating flowers) or female (capable of setting berries if pollinated by a male plant) but both males and females look identical otherwise. Not being able to tell them apart out of season can be a problem because to get berries on a female holly, you will need a female plant with a male holly nearby.

Ornamental hollies take the guesswork out of identifying male from female plants because each named cultivar will be of a known sex. Generally, if you want berries, simply choose a female type, checking that there is a known male Holly or some male native holly around nearby.

Berries aren't everything though: some ornamental male hollies are very attractive in their own right: the so-called 'Hedgehog Hollies', for example, have bright variegated leaves which have spines on the leaf surfaces as well as around the edges.

Another distinctive one is the so-called 'Blue Holly' (also available in a female form with red berries) which has green leaves on dark, purplish stems, which all colour slate purple-grey as the temperatures drop.

Watch out for the mischievous plant breeder who deliberately mis-named two hollies though: 'Silver Queen' is in fact a male holly, whilst 'Golden King' is a female form. Horticulturists do have a sense of humour!
