As we reach the end of the first quarter of the 1351st year of the life of the Diocese, I find myself reflecting in a rather “Life of Brian-ish” kind of way on what the anniversary actually means. ‘What’ one might wonder, ‘ has Christianity ever done for us?’

Apart from define the character and culture of each one of our villages and towns visually, spiritually and ethically; apart from instil timeless rhythms of life and worship that have fitted hand in glove with those of land, weather and season; apart from put this place surprisingly often at the epicentre of national history through those called to serve under God in church, state and commerce; apart from inspire us to creativity in art and music and poetry and to endeavour in caring for others and offering freedom, education and sometimes just bread to all in need.. what has Christianity ever done for the people of this place?

Christianity has had a tangible impact on countless lives and wellbeing in these parts and has been part of the warp and weft of life. Sometimes it has led to terrible things, but mostly it has been the making of us, and though there is alarming and rapid change and apparent decline at present, it will prevail. In the last 1350 years, a pageant of nobles and peasants, artisans and farmers, businesspeople, clergy and laity have lived out life’s joys, sorrows and unpredictability within these inherently Christian communities, which have sometimes flourished and sometimes not.

But all this stems from a single event and a single man. The man who was God came to show us what God is like and how much he loves us. He modelled love and peace and justice and wholeness such as no one had ever known, showed us that we are not alone in this difficult and wounded world and filled hearts with yearning for a promised Kingdom and with passion to see it fulfilled.

His teaching captivated the needy and the pure in heart and made the powerful afraid and very dangerous. They nailed him to the cross in the most brutal of criminals' deaths and his friends tenderly laid his corpse in a tomb.

On the third day, he rose again from the dead and changed our relationship with life and death, sin and righteousness forever. For 1350 years, Christians here have celebrated that day which is the heart of our faith and the hope of all creation. Those early saints who brought the faith here 1350 years ago brought us Jesus and Easter and the hope and desire for eternal life under our God on earth as it is in heaven.

1350 Easter celebrations later, we can still say 'Alleluia'

The Very Revd Sarah Brown

# PARISH COUNCIL UPDATES

The Parish Council met on Tuesday 10<sup>th</sup> March. There were eight councillors present and twelve members of the public. Our Herefordshire Council Ward Councillor, Mrs Pauline Crockett was in attendance. As always, our Clerk, Mrs Paulette Scholes ensured that the meeting was conducted effectively and in accordance with the various governance requirements expected of a local authority.

After welcoming those present and receiving apologies, we started with our public participation session.

We firstly received an update from Cllr Crockett regarding Herefordshire Council's activities that might affect the Parish and local concerns. These included concerns of activity behind The Grange in Burghill. These will be investigated. Potholes remain a concern, and residents are encouraged to report these directly on the Herefordshire Council website. Drainage is causing concern in Tillington again, Pauline will investigate this and report back any findings.

We then opened the floor to local residents so that they could raise issues of interest or concern. Dog fouling was discussed, and it was suggested that a group of volunteers is needed to empty any dog bins that are provided as this is a service that Herefordshire Council no longer funds. Options will be reviewed.

We discussed four Planning Applications. These are always determined by Herefordshire Council but we are consulted and respond, reflecting local views. Herefordshire Council doesn't always agree with our views but we do influence the decisions made. Our detailed responses are always recorded in our minutes.

The Parish Council encourages approaches from applicants regarding their planning applications. We may be able to assist with informal advice about community engagement.

Several volunteers have kindly come forward to assist with the Community Speed Watch project. A co-ordinator is needed to move this forward. The forthcoming Annual Parish Meeting was discussed, and it was agreed that the main focus of this year's meeting would be speeding, further details to follow.

We discussed Herefordshire Council's 2026/27 grant schemes. These included drainage, parish contractor and public rights of way grants. The Parish Council will ensure that schemes are put forward so that the local community benefits from this additional income. We also discussed how we could support Burghill in Bloom with tidying up the Leasown Logging Lane area.

Our long-standing Clerk, Mrs Scholes sadly retires at the end of March and we thanked Paulette for her help and support over the last nine years. We wish her all the best for the future.

**Our next meeting is on Tuesday, 12<sup>th</sup> May 2026, 7.00pm.** This will be our Annual Meeting. Please do come along to observe and contribute. The Parish Council currently has two vacancies, if you are interested in joining us and helping to make a difference locally, then please contact our Clerk (details on our website).

Draft minutes of our discussions and decisions are always available on our website as soon as possible after our meeting.

We are planning to have a village road clear up day when contractors will help us as in the past. Details of this and our internal competitions will be announced in next month's magazine but will centre around the heading "Taking Pride in our Village"

## Liz Donovan's Sponsored 80th Birthday Climb

I will be celebrating my 80th birthday in June and I have been doing a few challenges during the last few months to mark the occasion. I am planning to do a few more up to my birthday and one of the challenges I am attempting is to climb 80 feet up a climbing wall. I have never done anything like this before and I am being instructed by my grandson who is very experienced.

I hope to climb "Up the Wall" on Friday June 5th. I would be grateful for sponsors as I am raising money for the upkeep of our beautiful church in Burghill.

There will be sponsor forms available from members of the church PCC or on the church porch notice board.

I have created a JustGiving page where you can donate to this challenge by using the JustGiving link below or visit the church website or Facebook page

[https://www.justgiving.com/page/liz-donovan-80?

I am most grateful to all those who have supported me in this challenge.

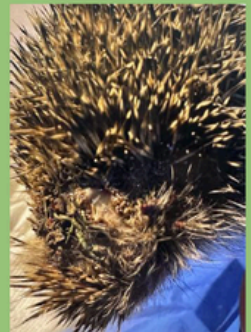

Liz Donovan

## **H**edgehogs often sleep under hedges and shrubs within easy range of strimming activity !

This hedgehog has a serious strimmer injury. She had the top of her ear cut off and a serious head wound, which would have resulted in a painful death, had she not been rescued promptly by a concerned Tillington Common resident, who took her to Helen at Huckleberry hedgehog rescue (tel 07901772680

<https://www.facebook.com/groups/6336720963578>). After 8 weeks of intensive care and with the veterinary expertise from Holmer Veterinary Practice, she has now recovered and was recently released back into the vicinity of Tillington Common

## **St Mary's Walking Group**

Last month, we were fortunate to enjoy good weather and far-reaching views on our walk around Westhope and the common. Eleven of us took part, making the most of a welcome break from the rain and the ongoing challenges of blocked footpaths.

Sadly, in February we lost one of our long-standing members, Don Mawson, who passed away suddenly. Although Don was no longer walking with the group, he would often come to the church at the start of our walks to catch up with friends he had made over the years. He will be greatly missed.

**Saturday 11th April**  
**Starting from Burghill church 9.50am**

We meet at 9:50 am in the Burghill Church car park. From there, we share cars and drive to our starting point for a leisurely 4-5 mile walk. We warmly welcome newcomers to join us on our adventures. For more information call Annie Ness: 01432 760552
